South Range Middle School
ATTN: John Szolek, Principal
11300 Columbiana-Canfield Rd.
Canfield, OH 44406

Dear Principal Szolek,

I write to offer my sincere congratulations to you and the rest of the staff at South Range Middle School for receiving an award for school achievement at the EOEP 2017 Excellence in Education Quantitative Awards Ceremony.

South Range Middle School has demonstrated that it has a strong commitment to student success by having at least 30 percent of students completing eighth grade earn at least one Algebra 1 or Integrated Math 1 high school class credit by the end of their 2016-2017 academic year. I want to take the time to acknowledge this mark of high achievement from your students, and thank you for providing an educational environment that supports and encourages a readiness for high school level math. Given the changing needs of our workforce, it is increasingly important that schools promote math and science education. Your work toward this end speaks highly not only of your staff, but also of the future potential of these students.

Once again, congratulations on your Excellence in Education award for this past school year. I hope that you continue to empower students in the Valley to thrive in their academic and professional pursuits.

Sincerely,

A handwritten signature in black ink that reads "John Bocchieri".
