

South Range Local Schools Cafeteria News

The USDA has announced that an extension to the Summer Food Service Program has been granted. This extension means that South Range Local Schools is able to offer **FREE BREAKFAST and LUNCH** to **ALL** of our students through December 31st.

The students will be required to take a full meal to qualify for the FREE lunch.

We will continue to offer limited extras which students can purchase, funds will be required either in a lunch account or on the day of purchase.

We strongly encourage all families to continue to complete and return their Free/Reduced Meal Applications, as the regular breakfast/lunch program will resume January 1, 2021.

We have updated all forms and menus on the District Website, <https://www.southernrange.org/News/333#sthash.FEf70Yir.dpbs>, please review the information and contact the food service director, Kaitlyn Pierce at 330-549-4070 if you have questions.
