Your child will have his or her own supplies this year. **Please place the following items in a plastic shoe box with a lid.** Please write your child's name on the box. These can be found at the Dollar Tree, Walmart, etc. In addition to your child's supplies, each student will also have a separate tool kit with manipulatives that we will provide. This will enable our children to learn in a hands-on environment, which is the foundation of their learning. If you already purchased extra items from the original supply list, our supplies will need replenished in the middle of the school year.
