- ❖ **Free & Reduced Meal Applications for the 2018/19 school year will be available at each building's office and on South Range's website under the "Food Service" tab. If you feel you may qualify, we will be happy to provide you with an application which details more information regarding the eligibility criteria and requirements of this program. Application information is ALWAYS confidential.**
  - **Please note: If you qualify for a reduced or free status, this not only includes lunch but ALSO free or reduced breakfast. We highly encourage our students to not only participate in our lunch program, but also breakfast!**
  - **\*\*If your student received free or reduced breakfast/lunch in the previous school year (2017/18), you MUST FILL OUT ANOTHER FORM for the current 2018/19 school year. Applications MUST be filled out and returned every new school year.**
- ❖ **If you do NOT want your student purchasing any "extra" food or drink items for the 2018/19 school year, please notify food service director, Kaitlyn Pierce, via email at [Kpierce@southrange.org](mailto:Kpierce@southrange.org) or office phone (330) 549-4070.**
- ❖ **Each student, grades K-12, have their own individual lunch account along with a number that represents that account. Lunch accounts MUST be prepaid. The account is NOT to be used as a charge account; rather, similar to a checking account. If your student's lunch account had a negative balance from last school year, it has been carried over to this school year. We ask that you please pay any negative balances off immediately. To pay off a balance OR to put money on your student's lunch account you may do any of the following options:**
  1. **Parents/Guardians may send cash or check (Made payable to: South Range Schools Cafeteria) to their student's building secretary, homeroom teacher, or brought to the cafeteria themselves during their assigned lunch time. PLEASE mark the envelope with "South Range Cafeteria" as well as your student's name, and the amount that should be enclosed in the envelope.**
  2. **The parent/guardian may set up an account using [payforit.net](http://payforit.net). The link is also provided on the school's website under the "Food Services" tab. PayForIt is your portal to convenient and secure meal account management of your child's lunch account. You may apply funds to your child's account 24/7 and check account balances, as well see detailed reports on when and what your student is charging to their account. PayForIt accepts credit card prepayments**

24hrs. a day with an automated update to South Range's QSP-Point of Sales System. Please note: some payments may take up to 24 hours to go through to the school's cash register system.

**\*\*Students will be allowed to ONLY charge 2 lunches (up to \$6.00) on their lunch account. Students who have a negative balance will NOT be permitted to purchase any a la carte snack or beverage items. Parents/Guardians will be notified via phone call or letter when their child's lunch account reaches a charge of more than \$6.00. You may check your student's lunch account at any time by setting up a PayForIt account online. If you need your student's lunch ID# please contact Kaitlyn Pierce, Food Service Director at (330) 549-4070 or by email [Kpierce@southerange.org](mailto:Kpierce@southerange.org).**

### **NEW THIS YEAR!**

South Range Cafeteria welcomes PIZZA HUT! Every other Thursday starting September 6, 2018 the cafeteria will be offering Pizza Hut pizza for our K-12 students. They will have an option between cheese or pepperoni, and possibly different choices in the months to come. We are super excited to partner with Pizza Hut for this school year and hope the students will be looking forward to it as well!

**\*\*Note that a Pizza Hut complete reimbursable lunch will be priced at \$3.25 for middle/high school students who are full pay status opposed to the price of \$2.85. (A \$0.40 increase.) Other lunch options will be available for the normal lunch price of \$2.85 if a student does not want Pizza Hut.**

**\*\*A Pizza Hut complete reimbursable lunch will be priced at \$3.00 for elementary (K-4) students who are full pay status opposed to the price of \$2.75. (A 0.25 increase.) Other lunch options will be available for the normal lunch price of \$2.75 if a student does not want Pizza Hut.**

**\*If you are free or reduced status your price level will remain at the same lunch price as it is every day.**

- The Nutrition Group also has partnered with NutriSlice! NutriSlice is a digital way to access breakfast & lunch menus through the South Range website. NutriSlice menus display the nutritional information attached to the menu for the day. We will still have the usual Nutrition Group monthly menu attachments that we have had in the past on the website as well to view and print. The NutriSlice menus will show calories, carbohydrates, sodium levels, and allergens, etc. for most lunch items sold each day.

I look forward to serving your students in the 2018-2019 school year!
